Jim,

Our review of [redacted] file leads us to believe that the only position in FBIS she might qualify for would be as a German linguist assigned to Headquarters. We would be willing to test her in German if she has any interest.

STAT

Coincidentally, I had a lengthy discussion with [redacted] about job prospects in FBIS last December. This was a result of a suggestion by a former colleague of mine in DDI. At the time, she showed no particular interest in FBIS, but my recollection is that she was very interested in going overseas again.
